## Notification

It is hereby notified to all students that **CASHT's core values are integral part of learning**. To cultivate CASHT's core values in our students, we encourage students to do more volunteer work along with the studies. This **volunteer work** will be assessed in **CASHT Internal Evaluation (CIE)** which evaluates key indicators of student's professional growth that help them to become effective members of society and good professionals.

**As a part of CIE, every student must complete 32 hours of volunteer work and submit a report (dually checked and signed by the section head) to evaluate this component in each semester before pre-terminal exam.** This volunteer work will **weight 5 marks** and will be part of the final/terminal CIE.

For the Spring semester 2023 this volunteer work will be submitted before 31<sup>st</sup> July 2023.

Please note that **routine on-campus, co-curricular and extra-curricular activities do not replace community work.**

We believe that the focus on community work and volunteerism help us to develop a sense of social responsibility and empathy towards the community, which are essential qualities for becoming a good professional and an effective member of the society.
